EDUCATION

- | | |
|----------------|---|
| December 2021 | Professor of Medical and Health Sciences
The title (Titular Professor) awarded by the President of the Republic of Poland |
| May 2016 | Habilitation
SWPS University of Social Sciences and Humanities, Wrocław, Poland |
| January 2008 | Qualification Function of <i>Maître de Conférences</i> - Conseil National des Universités (CNU), Ministère de l'Éducation Nationale, de l'Enseignement Supérieur et de la Recherche, Paris, France
Number of qualification: 08216167227
Discipline: Psychology, Clinical Psychology, Social Psychology |
| December 2005 | Doctor of Philosophy in Psychology (Cotutelle Polish-French)
<i>The contribution of models of behavioural self-regulation to the understanding of eating disorders. Intercultural perspectives</i>
Specialisation: Clinical psychology, health psychology
University of Silesia, Katowice, Poland |
| September 2005 | Doctor of Philosophy in Psychology (Cotutelle Polish-French)
<i>Contribution des modèles sur l'autorégulation du comportement dans la compréhension des troubles alimentaires. Perspectives interculturelles</i>
Specialization: Health psychology
University Paul Verlaine-Metz, France (currently: Université de Lorraine)
The dissertation was univocally assessed by the international jury as <i>très honorable avec félicitations</i> (<i>Summa Cum Laude</i> , with highest honours) |
| June 2002 | Master of Arts in Psychology (Clinical Psychology)
<i>Choice or trap? Psychosocial conditions of anorexia nervosa.</i>
Faculty of Pedagogy and Psychology, University of Silesia, Katowice
Mark: Very good. Graduate with distinction |

June 2001	Master of Arts in Culturology (Filmology) <i>Adaptation of the literary work in the audiovisual culture. The case of « Notre Dame de Paris » by Victor Hugo</i> Philological Faculty, University of Silesia, Katowice Mark: Good
June 1997	Maturity certificate/baccalaureate Mikolaj Kopernik General Education Secondary School, Katowice

PROFESSIONAL POSITIONS

ACADEMIC WORK EXPERIENCE

July- October 2022	Visiting Professor Translational Health Research Institute, School of Medicine, Western Sydney University , Australia
January 2022 –	Professor, Ph.D. Head of Nutritional Psychology Unit Head of Eating Behavior Laboratory (EAT Lab) Institute of Psychology, University of Wroclaw
October- November 2021	Guest researcher Laboratory of Psychology, University of Bordeaux , France
October 2021 –	Head of Postgraduate studies in the field of Psychodietetics Institute of Psychology, University of Wroclaw
2019-2021	Associate Professor, Ph.D. Head of Nutritional Psychology Unit Head of Eating Behavior Laboratory (EAT Lab) Institute of Psychology, University of Wroclaw
2019-2020	Head of Postgraduate studies in the field of Psychodietetics Katowice Faculty of Psychology, SWPS University of Social Sciences and Humanities
2017-2019	Head of Department of Clinical and Health Psychology Head of Eating behavior and physical Activity Laboratory (EAT Lab) Head of Postgraduate studies in the field of Psychodietetics Katowice Faculty of Psychology, SWPS University of Social Sciences and Humanities
2016-2019	Associate Professor, Ph.D. Katowice Faculty of Psychology, SWPS University of Social Sciences and Humanities
2011-2016	Assistant Professor, Ph.D. Katowice Faculty of Psychology, SWPS University of Social Sciences and Humanities
2006-2011	Assistant Professor, Ph.D. Institute of Psychology, University of Silesia, Katowice

2004-2005	Agent Temporaire Vacataire (ATV) Department of Psychology, Health Psychology Laboratory, University Paul Verlaine-Metz, France
2003-2005	Assistant lecturer, MA Institute of Psychology, University of Silesia, Katowice

COGNITIVE BEHAVIOURAL THERAPY WORK EXPERIENCE

2023 –	Cognitive behavioural therapy (CBT) for eating disorders The Professor Anna Brytek-Matera Eating Disorder Treatment Centre, Katowice
2016-2022	CBT for eating disorders and obesity Private Eating Disorders Treatment Centre, Katowice
2013-2016	CBT for eating disorders and obesity TRAF-MED Private One-day Clinic, Katowice

AWARDS, SCHOLARSHIPS

November 2023	Rector's Award at the University of Wroclaw for scientific activities
January 2023	Laureate of Teaching Internship Programme University of Padova, Italy
November 2022	Rector's Award at the University of Wroclaw for scientific activities
February 2022	Award of the Minister of Education and Science of the Republic of Poland for significant achievements in the field of didactic
December 2021	Laureate of the Bekker Programme awarded by the Polish National Agency for Academic Exchange (out of 507 candidates, 176 were granted a scholarship)
November 2021	Rector's Award at the University of Wroclaw for scientific activities
May 2021	Scholarship awarded by the Fondation Maison des Sciences de l'Homme within the DEA Programme (Directeurs d'Études Associés / Associate Research Directors)
October 2020	Rector's Award at the University of Wroclaw for didactic and organisational activities
October 2018	Dean's Award at the University of Social Sciences and Humanities for scientific activities
October 2017	Dean's Award at the University of Social Sciences and Humanities for particular contribution to Katowice Faculty of Psychology development
January 2017	Bursary – The 13th London International Eating Disorders Conference. British Journal of Hospital Medicine and MA Healthcare Limited
October 2016	Rector's Award at the SWPS University of Social Sciences and Humanities for scientific activities

March 2016	The Erasmus+ grant for Staff Mobility for Teaching Assignments University of Nantes, France
January 2015	Bursary – <i>The 12th London International Eating Disorders Conference.</i> MA Healthcare Limited, British Journal of Hospital Medicine and Ellern Mede service for eating disorders, London
October 2014	Rector's Award at the University of Social Sciences and Humanities for scientific activities
October 2013	Rector's Award at the University of Social Sciences and Humanities for scientific activities
October 2013	Dean's Award at the University of Social Sciences and Humanities (Campus in Katowice) for teaching methods
March 2013	Winner of the competition that appointed the outstanding young Polish scientists whose profiles were presented in the bilingual publication of Young Scientists The organiser and the executor of the project, co-financed by the European Union within the European Social Fund, was the Boleslaw Markowski Higher School of Commerce in Kielce
December 2012	Bursary – <i>The 11th London International Eating Disorders Conference.</i> MA Healthcare Limited, British Journal of Hospital Medicine and Ellern Mede service for eating disorders, London
October 2012	Laureate of the "Mentoring" Programme awarded by the Foundation for Polish Science
October 2012	Winner of the competition that appointed twelve outstanding young Polish scientists whose profiles were presented in the Calendar of Young Scientists (for the year 2013) The organiser and the executor of the project, co-financed by the European Union within the European Social Fund, was the University of Rzeszow
April 2011	Stipend "START" for young researchers awarded by the Foundation for Polish Science (out of 1 026 candidates, 128 were granted a scholarship)
October 2011	Winner of the competition that appointed twelve outstanding young Polish scientists whose profiles were presented in the Calendar of Young Scientists (for the year 2012) The organiser and the executor of the project, co-financed by the European Union within the European Social Fund, was the University of Rzeszow
January 2011	Bursary – <i>The 10th London International Eating Disorders Conference.</i> MA Healthcare Limited, British Journal of Hospital Medicine and Ellern Mede Centre for Eating Disorders, London
October 2010	Rector's Distinction the University of Silesia for outstanding academic achievements
June 2009	Grant for young researchers – <i>The Fourth Statistical Days at the University of Luxembourg</i> - International Scientific Conference. Luxembourg School of Finance of the Faculty for Law, Economics and Finance in collaboration with Clinical Psychology and Health Psychology, and Art Therapy of the Foundation Françoise-Elisabeth, Luxembourg

October 2008	Rector's Award at the University of Silesia for scientific and research activities
July 2007	Grant for young researchers – <i>The third Statistical Days at the University of Luxembourg</i> - International Scientific Conference. Applied Mathematics Unit of the Faculty for Law, Economics and Finance in collaboration with Laboratory of Clinical Psychology and Health Psychology, Public Research Centre for Health (CPR-Santé), Luxembourg
July 2007	Scholarship for young scientists – <i>The 10th European Congress of Psychology</i> . Congress Assistance Program (CAPF), European Federation of Psychologists Associations and Federation of Swiss Psychologists
October 2006	Rector's Award at the University of Silesia for a distinguished doctoral dissertation
2002-2005	French Government PhD scholarship (Cotutelle)

FUNDED RESEARCH PROJECTS

PRINCIPAL INVESTIGATOR

2019-2022	<i>Impact of negative affect on eating behavior: verification of two potential pathways in laboratory and ecological settings</i> National Science Center (NCN), Poland HARMONIA 10 (grant no. 2018/30/M/HS6/00022)
2018-2019	<i>Objective measurement of physical activity and sleep in natural settings</i> Fund for the Development of Scientific Research, SWPS University of Social Sciences and Humanities, Warsaw
2018-2019	<i>The Multicenter Orthorexia Nervosa Assessment Project (MONAP): a prospective study of dietary patterns and lifestyle</i> Funds from Ministry of Science and Higher Education, Poland (grant no. 1566 BST/WZK/2018/A/01)
2017-2018	<i>Assessment of rumination and eating behaviors in daily life among individuals with differential food preferences: a pilot study</i> National Science Center (NCN) in Poland MINIATURA 1 (grant no. 2017/01/X/HS6/00007)
2017-2018	<i>Use of accelerometers and body composition analyser to monitor daily physical activity and body parameters</i> (grant no. 5/2017/FRBN) Fund for the Development of Scientific Research, SWPS University of Social Sciences and Humanities, Warsaw
2017-2018	<i>Physical activity, eating behaviours and cognitive emotion regulation among people with healthy weight range: experimental research in the natural environment</i> SWPS University of Social Sciences and Humanities, Katowice Faculty of Psychology, Department Competition
2016-2017	<i>Ruminations, inhibition and emotion regulation among patients with obesity</i> (grant no. BW/WZK/2016/2)

	SWPS University of Social Sciences and Humanities, Katowice Faculty of Psychology, Department Competition
2015-2016	<i>Assessment of eating behaviour: the structure validity of the Three-Factor Eating Questionnaire-R18 in obese and normal-weight individuals</i> (grant no. 1/2015/WZK) SWPS University of Social Sciences and Humanities, Katowice Faculty of Psychology, Department Competition
2008-2009	<i>Determinants of body dissatisfaction and their interdependences among women with eating disorders and obesity.</i> Institute of Psychology, University of Silesia, Department Competition
2007-2008	<i>The role of body image in women's life. Personal and social factors influencing body image.</i> Institute of Psychology, University of Silesia, Department Competition
2007-2008	<i>Application of art therapies to some crucial problems of Luxembourg society.</i> National Research Fund (FNR) 02/05/14, Luxembourg Public Research Centre for Health, Department of Neuroscience Consortium member Leader (principal investigator) of the Polish team
2006-2007	<i>Body in the 21st century. Body image among patients with eating disorders and university students: a comparative study.</i> Institute of Psychology, University of Silesia, Department Competition
2004-2005	<i>Self-esteem, self-control and coping strategies in female students in Poland and France.</i> Institute of Psychology, University of Silesia, Department Competition

SCIENTIFIC SUPERVISOR

2018-2021	<i>Empirical verification of the Homeostatic Theory of Obesity in children and adolescents: a longitudinal study</i> National Science Center (NCN), Poland PRELUDIUM 13 (grant no. 2017/01/X/HS6/00007)
-----------	---

INTERNATIONAL RESEARCH PROJECTS

2019-2022	<i>MEALS - Maladaptive Eating cross-cultural Study</i> Department of General Psychology, University of Padova (Italy) Leader (principal investigator) of the Polish team <i>HOLISTIC - Habits, Orthorexia nervosa and Lifestyle in university Students</i> Department of Public Health, University of Split Medical School (Croatia), Dietetics and Clinical Nutrition Laboratory, Department of Public Health, Experimental and Forensic Medicine, University of Pavia (Italy), Department of Economics, University of Foggia (Italy), Nutrition and Dietetics Department, Beirut Arab University (Lebanon), Faculty of Veterinary Medicine, University of Agricultural Sciences and Veterinary
-----------	---

	Medicine (Romania), Department of Physiology, Anatomy and Cell Biology, Pablo de Olavide University (Spain) Consortium member Leader (principal investigator) of the Polish team
2014-2019	<i>Personality features and their relationship with orthorexia nervosa and eating disordered attitudes in patients with anorexia nervosa and healthy individuals: a transcultural comparison</i> University of Piemonte Orientale “Amedeo Avogadro”, Novara, Italy Institute of Psychiatry Consortium member Leader (principal investigator) of the Polish team
2013-2018	<i>Orthorexia nervosa: psychological features</i> “La Sapienza” University of Roma, Italy Department of Experimental Medicine Medical Pathophysiology, Food Science and Endocrinology Section Food Science and Human Nutrition Research Unit Consortium member Leader (principal investigator) of the Polish team
2012-2014	<i>Body image in Quebec and Europe: the impact of culture</i> University of Quebec in Trois-Rivières (Canada) and KU Leuven (Belgium) Consortium member Leader (principal investigator) of the Polish team
2010-2011	<i>Eating disorders and body image research</i> Maison des Adolescents de la Moselle, Metz, France Principal investigator
2009-2012	<i>Body image in health and sickness.</i> Laboratory of Clinical Psychology, Health Psychology and Art Therapies, Fondation François-Elisabeth, Luxembourg Consortium member Leader (principal investigator) of the Polish team

INTERNATIONAL COLLABORATION ACTIVITIES

2022	External examiner of the PhD thesis defence <i>Étude des déterminants psychologiques du bien-être et de la dépression des adultes en surpoids ou en situation d'obésité: analyse des données de la cohorte ESTEAM</i> University of Bordeaux, France PhD thesis supervisor: Dr. Greg Décamps, HDR
2019 –	Expert Committee Member (the Project Peer Reviewer) of the Science Fund of the Republic of Serbia
2019	Member of the Asian Conference on Psychology & the Behavioral Sciences (ACP2020) Review Committee

2018	Reviewer of the PhD thesis <i>Perfectionism, rumination and eating behaviour regulation: are men and women equal in front of psychological processes involved on body dissatisfaction?</i> University of Lille, France PhD thesis supervisor: Prof. Céline Douilliez
2017 –	Member of the international research team The Orthorexia Nervosa Task Force (ON-TF) Member of the International Investigation of Parental Burnout (IIPB) consortium
2012-2013	Postdoctoral training University Hospital of Lausanne, Switzerland Research Unit of the Department of Child and Adolescent Psychiatry (Blaise Pierrehumbert, Ph.D., Privat Docent)
March 2012	Postdoctoral training KU Leuven, Belgium Faculty of Kinesiology and Rehabilitation Science and the University Psychiatric Centre KU Leuven - Unit Eating Disorders (prof. Michel Probst)
2007-2010	Member of the PhD Admissions Board <i>The biopsychosocial model of eating disorders: the contribution of family.</i> University of Luxembourg, Luxembourg PhD thesis supervisor: prof. Georges Steffen
2007-2008	Reviewer of the PhD project (une bourse de formation-recherche) <i>The biopsychosocial model of eating disorders: the contribution of family.</i> Ministry for Culture, Higher Education and Research. The Government of the Grand Duchy of Luxembourg

INVITED LECTURES AT FOREIGN UNIVERSITIES

2023	<i>Disordered eating and health-related behaviours: current perspectives and new directions.</i> Invited lecture given at the Department of General Psychology, University of Padova, Italy
2022	<i>Historical and current eating disorder epidemiology in light of psychological findings: Eastern European perspectives.</i> Invited lecture given at the Department of Psychosomatic Medicine, University of Tokyo Hospital, University of Tokyo, Japan
2022	<i>Current perspectives on additional phenotypes of eating disorders.</i> Invited lecture given at the Translational Health Research Institute, School of Medicine, Western Sydney University, Australia
2022	<i>Eating disorders in Eastern Europe: distribution and determinants.</i> Invited lecture given at the Translational Health Research Institute, School of Medicine, Western Sydney University, Australia
2021	<i>From healthy eating to detrimental extremes: psychological profiles of vegetarian and non-vegetarian dietary patterns.</i> Invited lecture given at the School of Human and Social Sciences, University of West London, United Kingdom

2021	<i>Effets délétères des comportements alimentaires sur la santé: une perspective transdiagnostique</i> [Problematic eating-related health outcomes and behaviours: a transdiagnostic perspective]. Invited lecture given at the Laboratory of Psychology, Health and Quality of Life (EA 4139), University of Bordeaux, France
2021	<i>Orthorexia nervosa in clinical and non-clinical samples</i> . Invited lecture given at the Department of General Psychology, University of Padova, Italy
2020	<i>L'obsession d'une alimentation saine: une approche fondée sur les preuves</i> [Healthy eating obsession: an evidence based approach]. Invited lecture given at the Laboratory of Psychology, Health and Quality of Life (EA 4139), University of Bordeaux, France
2019	<i>A transdisciplinary approach to orthorexia nervosa</i> . Invited lecture given at the Dietetics and Clinical Nutrition Laboratory of the Department of Public Health, Experimental and Forensic Medicine, University of Pavia, Italy
2019	<i>Eating-related behavior and its determinants: theory and research</i> . Invited lecture given at the Department of Psychology, Stanford University, United States of America

Bereza (ed.), *Nature of anger. Perspective of psychologists, psychiatrists and psychotherapists* (p. 253-267). Warsaw: Difin.

Brytek-Matera A. (2010). *Awareness of bodily sensations in women with eating disorders*. In: A. Brytek-Matera (ed.), *Body in the contemporary times. Selected aspects of the body image issue*. (p. 68-90). Warsaw: Difin.

Brytek-Matera A. (2009). *Female body image in the context of eating disorders*. In: K. Popiolek, A. Banka (eds.), *Crises, catastrophes, disasters in the psychological perspective* (p. 114-122). Poznań: Stowarzyszenie Psychologia i Architektura.

Brytek-Matera A. (2009). *Ways to cope with negative body image among women with bulimia*. In: L. Szewczyk, E. Talik (eds.), *Selected issues on clinical psychology and personality. Clinical adolescent psychology* (p. 171-181). Lublin: Scientific Association of KUL.

Brytek-Matera A., Izydoreczek B. (2009). *Family crisis in the face of illness. Psychological profile of the families with anorexia nervosa*. In: K. Popiolek, A. Banka (eds.), *Crises, catastrophes, disasters in the psychological perspective* (p. 189-198). Poznań: Stowarzyszenie Psychologia i Architektura.

Brytek-Matera A. (2008). *Body image and Higgins' self-discrepancy theory. Body appearance in adolescence*. In: T. Misztalski, G. Waclawik (eds.), *Adolescence. Chances and threats* (p. 37-44). Czeladź: Horyn-Druk.

Brytek-Matera A. (2008). *Stress in bulimia nervosa – problem-focused coping or avoidance coping?* In: A. Gawor, A. Glebocka (eds.), *A contemporary man's quality of life* (p. 49-58). Kraków: Oficyna Wydawnicza Impuls.

Brytek-Matera A. (2007). *Threat to life? Mechanism of the vicious circle of bulimia nervosa*. In: K. Popiolek, A. Banka (eds.), *Crises, catastrophes, disasters in the view of the escalation of threats* (p.128-138). Poznań: Stowarzyszenie Psychologia i Architektura.

Brytek-Matera A., Izydoreczek B. (2007). *Experience of emotional crisis by patients with eating disorders*. In: K. Popiolek, A. Banka (eds.), *Crises, catastrophes, disasters in the view of the escalation of threats* (p. 139-147). Poznań: Stowarzyszenie Psychologia i Architektura.

Brytek A. (2004). *The disease of the 21st Century or the disease of centuries? Anorexia nervosa in contemporary culture*. In K. Popiolek (eds.), *Crises, catastrophes, disasters - the phenomena of contemporary civilisation* (p. 38-43). Poznań: Stowarzyszenie Psychologia i Architektura.

CONFERENCE PRESENTATIONS

- Brytek-Matera A.**, Charzyńska E., Atroszko P. (2023). *Food addiction among young adult women and men: prevalence, potential risk factors and consequences*. The 8th International Conference on Behavioral Addictions (ICBA 2023). Incheon, South Korea.
- Mróz M., Czub M., **Brytek-Matera A.** (2023). *The impact of eating behavior and emotional state on the severity of irritable bowel syndrome*. The 37th Annual Conference of the European Health Psychology Society “Health Psychology for all: Equity, Inclusiveness and Transformation”. Bremen, Germany.
- Brytek-Matera A.**, Czepczor-Bernat K., Bronowicka P., Modrzejewska A., Modrzejewska J., Szymańska P., Waliłko J. (2022). *Eating behaviour among adults with different levels of emotional suppression and eating disorder symptomatology*. The 30th European Congress of Psychiatry “Linking clinical practice and research for better mental health care in Europe” (Virtual EPA2022).
- Brytek-Matera A.**, Mróz M., Jagielski P., Sitarska J., Gross J.J. (2022). *Dietary restriction in normal weight-individuals: using a web-based 24-hour dietary recall during 2 weeks*. The 22nd International Congress of Nutrition (ICN) “The power of nutrition: for the smiles of 10 billion people”. Tokyo, Japan.
- Brytek-Matera A.**, O’Leary D., Jagielski P., Mróz M., Szubert J., Gross J.J. (2022). *Dietary intake and emotional eating in healthy women: results from the 14-day food diaries in a real-life context*. The International Psychological Applications Conference and Trends 2022 (InPACT 2022). Madeira, Portugal.
- Mróz M., **Brytek-Matera A.** (2022). *Assessment of physical activity level in young adults with eating disorder risk: a cross-sectional study in a non-clinical sample*. The 30th European Congress of Psychiatry “Linking clinical practice and research for better mental health care in Europe” (Virtual EPA2022).
- Mróz M., Czub M., **Brytek-Matera A.** (2022). *Heart rate variability as a measure of effectiveness of non-pharmacological treatments for irritable bowel syndrome: a review of literature*. The 17th European Congress of Psychology “Psychology as the Hub Science: opportunities and responsibility”. Ljubljana, Slovenia.
- Mróz M., Werner K., Szubert J., Gross J.J., **Brytek-Matera A.** (2022). *Anxiety, impulsivity, and unhealthy eating among adult women*. The 17th European Congress of Psychology “Psychology as the Hub Science: opportunities and responsibility”. Ljubljana, Slovenia.
- Pardini S., Szubert J., Novara C., **Brytek-Matera A.** (2022). *Higher levels of concern about dieting and moderate-intensity physical activity predict orthorexia nervosa among young adults*. The 30th European Congress of Psychiatry “Linking clinical practice and research for better mental health care in Europe” (Virtual EPA2022).
- Bronowicka P., Waliłko J., **Brytek-Matera A.** (2021). *Connection between psychological and behavioral features of orthorexia nervosa and excess body weight*. The International Conference on Eating Disorders (Virtual ICED 2021) “Cultivating inclusivity & diversity across research & practice”.
- Brytek-Matera A.** (2021). *Dietary patterns and orthorexia nervosa: an evidence-based literature review*. The 20th WPA World Congress of Psychiatry (Virtual Congress).
- Brytek-Matera A.** (2021). *Emotion dysregulation and its connection with abnormal eating pattern: pathways from negative emotions to weight status*. The 20th WPA World Congress of Psychiatry (Virtual Congress).
- Brytek-Matera A.** (2021). *The effects of physical activity on emotion regulation and eating*

- behaviours*. The 32nd International Congress of Psychology (ICP) “Psychology in the 21st century: open minds, societies and world (Virtual Congress).
- Brytek-Matera A.**, Bronowicka P., Waliłko J. (2021). *Restraint theory: significance of rumination*. The 29th European Congress of Psychiatry “Personalising and integrating mental health care in the digital area” (Virtual Congress).
- Brytek-Matera A.**, Czepczor-Bernat K. (2021). *Potential predictors of BMI among children and adolescents: a preliminary comparative study*. The 32nd International Congress of Psychology (ICP) “Psychology in the 21st century: open minds, societies and world” (Virtual Congress).
- Charzyńska E., Atroszko P., **Brytek-Matera A.** (2021). *Not everyone is the same: latent profile analysis of food addiction, personality traits and loneliness among young adults*. The 29th European Congress of Psychiatry “Personalising and integrating mental health care in the digital area” (Virtual Congress).
- Czepczor-Bernat K., Matusik P., **Brytek-Matera A.** (2021). *The role of restrained and uncontrolled eating in children's concerns about weight and shape and quality of life*. Prague, Czech Republic. The 32nd International Congress of Psychology (ICP) “Psychology in the 21st century: open minds, societies and world” (Virtual Congress)
- Fares K., Hallit S., **Brytek-Matera A.** (2021). *Social anxiety disorder and its factors among Lebanese non-clinical adults: the role of depression, alexithymia and work fatigue*. The 20th WPA World Congress of Psychiatry (Virtual Congress).
- Mróz M., Czub M., Piskorz J., Kowal M., **Brytek-Matera A.** (2021). *Effect of slow diaphragmatic breathing on anxiety in young women*. The 20th WPA World Congress of Psychiatry (Virtual Congress).
- O’Leary D., **Brytek-Matera A.**, Gross J. (2021). *Negative affect, affect regulation, and food choice: a value-based decision-making analysis*. The 29th European Congress of Psychiatry “Personalising and integrating mental health care in the digital area” (Virtual Congress).
- Plasonja N., Dubourdeaux M., **Brytek-Matera A.**, Décamps G. (2021). *Validation d’une échelle d’auto-efficacité alimentaire en français*. Le 11^{ème} Congrès de l’Association Francophone de Psychologie de la Santé (AFPSA) “Le patient et son encourage: quelles interactions?” (Virtual Congress). [Presentation in French]
- Waliłko J., Bronowicka P., **Brytek-Matera A.** (2021). *Mediating role of lack of familiarity with one's own body in emotional eating-interoceptive awareness relationship among patients with bulimia nervosa*. The International Conference on Eating Disorders (Virtual ICED 2021) “Cultivating inclusivity & diversity across research & practice”.
- Brytek-Matera A.** (2020). *The effect of negative emotions on food intake and maladaptive eating behaviour: a literature review*. The 10th Asian Conference on Psychology & the Behavioral Sciences. Tokyo, Japan.
- Bronowicka P., **Brytek-Matera A.** (2020). *The effect of selfies on mental health: an overview of recent research*. XII National Interdisciplinary Scientific Conference TYGIEL 2020 „Interdisciplinarity as the key to development”. Lublin, Poland. [Presentation in Polish]
- Czepczor-Bernat K., **Brytek-Matera A.** (2020). *Food-related behaviours and nutritional status: a parent-child dyad approach*. The 10th Asian Conference on Psychology & the Behavioral Sciences. Tokyo, Japan.
- Czepczor-Bernat K., **Brytek-Matera A.** (2020). *The impact of maladaptive eating behaviours on body mass index, body dissatisfaction and quality of life in children: a structural equation modeling approach*. The 10th Asian Conference on Psychology & the Behavioral Sciences. Tokyo, Japan.

- Czepczor-Bernat K., **Brytek-Matera A.**, Matusik P. (2020). *Homeostatic Theory of Obesity: assessment of a revised version of the Circle of Discontent among children and adolescents*. European and International Congress on Obesity (online ECOICO 2020).
- Waliłko J., Gruszczyńska M., **Brytek-Matera A.** (2020). *Eating styles of pregnant women and their relationship with body image avoidance behaviours: a preliminary cross-sectional study*. XII National Interdisciplinary Scientific Conference TYGIEL 2020 „Interdisciplinarity as the key to development”. Lublin, Poland. [Presentation in Polish]
- Brytek-Matera A.** (2019). *Which factors predict orthorexia nervosa in women? Results from two independent studies*. XVI European Congress of Psychology “Psychology: creating the future together”. Moscow, Russia.
- Brytek-Matera A.**, Czepczor-Bernat K., Modrzejewska A. (2019). *Physical activity-related predictors of maladaptive eating behaviours: a preliminary experimental study using eHealth technology*. The 33rd annual conference of the European Health Psychology Society (EHPS 2019): “Individuals and Professionals. Cooperation to Health”. Dubrovnik, Croatia.
- Brytek-Matera A.**, Czepczor-Bernat K. (2019). *Impact of objectively measured physical activity and body composition on eating behaviours in young adults*. XVI European Congress of Psychology “Psychology: creating the future together”. Moscow, Russia.
- Brytek-Matera A.**, Modrzejewska J. (2019). *Rumination and eating styles in the context of normative and non-normative weight*. The 2nd National Conference „Cerebrum Cognita”. Lublin, Poland. [Presentation in Polish]
- Czepczor-Bernat K., **Brytek-Matera A.** (2019). *Emotional functioning, eating behaviours and body image: e-mental health intervention among women with BMI ≥ 25 kg/m²*. The 33rd annual conference of the European Health Psychology Society (EHPS 2019): “Individuals and Professionals. Cooperation to Health”. Dubrovnik, Croatia.
- Czepczor-Bernat K., Kołodziejczyk N., **Brytek-Matera A.** (2019). *Verification of the Marks’ Homeostatic Theory of Obesity: a pilot study among child-parent dyads*. The International Conference on Eating Disorders (ICED 2019) “Start Spreading the News. Education, Dissemination & the Science of Eating Disorders”. New York, United States of America.
- Czepczor-Bernat K., Modrzejewska A., **Brytek-Matera A.** (2019). *Potential predictors of physical activity in young adults: a preliminary accelerometer-based study*. The 33rd annual conference of the European Health Psychology Society (EHPS 2019): “Individuals and Professionals. Cooperation to Health”. Dubrovnik, Croatia.
- Gattino S., Rollero C., Boza M., Czepczor-Bernat, **Brytek-Matera A.**, Lemoine J.E., Reza S.N., Wilson E. (2019). *Fattori protettivi e di rischio del processo di auto-oggettivazione: una ricerca cross-culturale* [Protective and risk factors of the self-objectification process: a cross-cultural research]. XVI Convegno Nazionale della Sezione di Psicologia Sociale dell’Associazione Italiana di Psicologia. Rome, Italy. [Presentation in Italian]
- Mandecka N., Cierpień M., **Brytek-Matera A.** (2019). *What do psychology students know about eating disorders? A pre- and post-test preliminary study on knowledge of eating disorders and eating- and weight-related problems*. The 27th International Conference on Eating Disorders. Alpbach, Austria.
- Modrzejewska A., **Brytek-Matera A.** (2019). *Interoception, body weight dissatisfaction and avoidance behaviours: are patients with anorexia nervosa different from each other?* The 27th International Conference on Eating Disorders. Alpbach, Austria.
- Modrzejewska A., Średnicki J., **Brytek-Matera A.** (2019). *Influence of CPAP treatment on quality of life among women and men with obstructive sleep apnea and concurrent with class-2 obesity*. XII National Conference of the Health Psychology Section of the Polish Psychological

- Association “In health and illness – trajectories of Quality of Life”. Katowice, Poland. [Presentation in Polish]
- Musiał P., Cierpiał M., Czepczor-Bernat K., **Brytek-Matera A.** (2019). *Determinants of body dissatisfaction and depression among individuals with obesity*. V National Conference „Size in the mind”. Poznan, Poland. [Presentation in Polish]
- Telega M., **Brytek-Matera A.**, Janowski K., Świątek H., Szcześniak M., Barthels F., (2019). *Psychometric properties of the four Polish language versions of the Düsseldorf Orthorexia Scale (DOS-PL)*. The 2nd edition of Warsaw Conference „PsychoScience 2019”. Warsaw, Poland. [Presentation in Polish]
- Brytek-Matera A.**, Czepczor-Bernat K., Kornacka M. (2018). *Rumination and eating styles in patients with overweight: a preliminary ecological momentary assessment study*. The International Conference on Eating Disorders (ICED 2018) “Innovation. Expanding our Community & Perspectives”. Chicago, United States of America.
- Brytek-Matera A.**, Czepczor-Bernat K., Jurzak H., Napieralski P., Kornacka M. (2018). *Assessment of repetitive negative thinking and eating behaviours among women and men on vegetarian diets: a mobile technology based Ecological Momentary Assessment study*. The 29th International Congress of Applied Psychology (ICAP 2018). Montréal, Canada.
- Brytek-Matera A.**, Jurzak H., Czepczor-Bernat K., Napieralski P., Kornacka M. (2018). *Do perseverative thinking and extreme focus on healthy eating change after induction of food-related pictures in vegetarians? The results of a pilot study*. The 29th International Congress of Applied Psychology (ICAP 2018). Montréal, Canada.
- Czepczor-Bernat K., **Brytek-Matera A.** (2018). *The assessment of eating behavior and body image among people with excessive and normal body weight: direct, indirect and buffer effect and model of moderated mediation*. The International Conference on Eating Disorders (ICED 2018) “Innovation. Expanding our Community & Perspectives”. Chicago, United States.
- Czepczor-Bernat K., **Brytek-Matera A.** (2018). *The REMEBI complex psychological intervention among individuals with excessive body weight: a longitudinal study*. The 29th International Congress of Applied Psychology (ICAP 2018). Montréal, Canada.
- Czepczor-Bernat K., Kołodziejczyk N., **Brytek-Matera A.** (2018). *The role of body image experiences in the treatment of overweight and obesity: the REMEBI complex psychological intervention*. The 26th International Conference on Eating Disorders. Alpbach, Austria.
- Kołodziejczyk N., Czepczor-Bernat K., **Brytek-Matera A.** (2018). *Analysis of relationships between orthorexia features and eating behaviors and body image-related distress in overweight and obese people*. The 25th European Congress on Obesity (ECO2018). Wien, Austria.
- Brytek-Matera A.** (2017). *Does emotional eating mediate the relationship between body image-related distress and orthorexic behaviours in overweight/obese women?* X Congresso Nazionale SISDCA “La Competenza Clinica nella Cura dei Disturbi del Comportamento Alimentare e dell’Obesità”. Rome, Italy.
- Brytek-Matera A.** (2017). *The mediating effect of abnormal eating habits on the relationship between overweight preoccupation and orthorexic behaviours in patients with eating disorders*. The 13th London International Eating Disorders Conference. London, United Kingdom.
- Brytek-Matera A.** (2017). *Body image and abnormal eating behaviours: the mediating role of emotional eating*. XII National Conference of the Health Psychology Section of the Polish Psychological Association “Health in a changing world - threats and challenges”. Poznan, Poland. [Presentation in Polish]

- Brytek-Matera A.**, Barthels F., Bratman S., Cuzzolaro M., Depa J., Dunn T.M., Missbach B., Setnick J., Varga M., Cena H., Segura-Garcia C., Donini L.M. (2017). *The Orthorexia Nervosa Task Force (ON-TF): Objectives and Key Strategies*. X Congresso Nazionale SISDCA “La Competenza Clinica nella Cura dei Disturbi del Comportamento Alimentare e dell’Obesità”. Rome, Italy.
